

Planning Process

Finalising the MPF

We will now look at amending the MPF in response to your comments. At the same time, we will complete our technical assessments.

It is intended that following the District Council's approval of the MPF early in 2016, outline planning applications will be submitted in spring 2016. The planning applications will be subject to further public consultation.

Thank you for visiting our exhibition.

Please fill in our feedback form with as much or as little detail as you would like to include and either hand it back to us today or send it to:

**South Gillingham Consultation,
Webb Associates Public Relations,
22 The Point, Market Harborough,
Leicestershire LE16 7Q**

Alternatively, you can email your comments to:
enquiries@southgillingham.co.uk
